CREAM OF NEWS.

Closed by Attachment.

The stock of groceries of Rutland & Co. was satisfied Friday by the sheriff to satisfy a claim in favor of Cheek, Webb & Co., a New Haven firm, amounting to \$100. There is a general claim of \$250 more. The H. B. Co. has done as extensive credit business and inability to collect at this season caused the embarrassment.

The Madisonville Reunion.

The Confederate Reunion at Madisonville was opened Saturday morning, a big crowd from this city went down and enjoyed the day. The exercises were held inside the fair grounds and an admission fee of 25 cents was charged. This was to defray the expenses of the fair. The money was an abundant sum and many who came were left over after the vast crowd had all been fed. Speeches were made by Senator Wm. Lindsey, Col. E. Polk Johnson, Hon. Jas. W. Lockett and Ex-Senator Austin Payne.

Council Masters.

The City Council after investigating the law in regard to changing the wards, decided that they could not reduce the number of the wards under the sections authorizing a change of boundaries, as the proposed new ward would be established with two councilmen each has been abandoned. The present number of seven wards will be retained with one councilmen each and a committee has been appointed to prepare a bill for the making and changing as needed in the old line. This can be passed any time before September 7.

Didn't Recognize "The Old Farmer."

About a month ago Mr. Garth, col-

lized a row at a gathering at Fairview Sunday. He made himself a particular mark in the crowd and was one of the party. A week afterwards he was indicted on three counts. He has since been dodging the officers. Friday officer Miller, of Elizabethtown, came to him and said he had better come in and face the音乐. He will be tried on the 1st of August. Mr. Garth will be taken to Elizabethtown and will remain in jail until the next term of court.
